

LEGAL NOTICE

BENTON COUNTY BOARD OF HEALTH RULE #60-1

60.1 Approval by the Board of Health shall require an installer of a private onsite wastewater treatment system to be a holder in good standing of an Iowa Onsite Wastewater Association (IOWWA) certification as a Certified Installer of Onsite Wastewater Treatment Systems (CIOWTS), either Basic or Advanced.

This rule is intended to implement Benton County Ordinance #60, Section II. Paragraph 1., and Section IV. Paragraph 1. The effective date of this rule is the date of publication, and implementation of the rule will begin on January 1, 2016.

Date: December 24, 2014
