

**BENTON COUNTY EMPLOYEE HANDBOOK**  
**Preface and Endorsements**

This employee handbook was developed by Benton County management, including the independent elected officials, agency directors, appointed administrators, and department heads. These parties recognize that elected officials and the various boards and agencies that make up County government retain exclusive authority over personnel matters in their respective offices or agencies. However, they also recognize the importance and value of following uniform employment policies throughout all County departments. Therefore, they have worked together to produce this set of mutually agreed upon policies and procedures.

## **SECTION ONE: INTRODUCTION**

### **INTRODUCTION**

---

The Board of Supervisors and other elected and management personnel of Benton County welcome you as you begin your employment with the County. Together we provide essential services to the citizens of the County. Each employee is expected to provide the most efficient and responsible service possible. The County depends upon your particular talents and ingenuity. Your efforts are supported by tax dollars and your conscientious performance can ensure the best possible results for each dollar spent.

This handbook was developed by Benton County management personnel, including elected officials and appointed administrators, to describe some of the County's policies relating to your employment with the County. Some of the policies and benefits described in this handbook, such as the group health insurance plan, are covered in greater detail in official policy documents. You should refer to those documents for more information. The policies described in this handbook are presented as a matter of information only. The statements contained in this handbook are subject to change and may be revised from time to time without prior notice by the County. Any suggestions you may have for changes in the policies explained in the handbook are welcome.

Departments vary in the services they provide for the public. Not all policies and regulations can be covered in this handbook. Your department head or supervisor will answer questions for you that are not answered in the handbook. This handbook provides guidelines to department heads and allows them discretionary power to efficiently perform the duties of their offices.

Elected officials are subject to the following provisions of this County Handbook: Sections 2.1, 2.2, 2.4, 2.7, 4.6, all of section 5, 6.8, 6.9 6.10, 6.12, 7.1 and 7.2.

All County employees are covered by these policies except:

1. elected officials, except as noted above;

2. department heads and employees specifically excluded by the appropriate governing body;
3. employees hired on a contractual basis;
4. employees covered by collective bargaining agreements. For employees whose employment is governed by a collective bargaining agreement, the specific provisions of the collective bargaining agreement shall take precedence over the provisions of the Employee Handbook. In any areas where the collective bargaining agreement does not conflict with this Employee Handbook, the provisions of the Employee Handbook shall apply.
5. members of boards and commissions;
6. personnel appointed to serve without compensation;
7. persons employed on an intermittent basis including but not limited to reserve deputies and rescue squad; and
8. persons covered by 28E Agreements, unless otherwise provided by the terms of the agreement.

#### **DISCLAIMER**

This handbook is provided for informational purposes only. The policies, procedures, benefits, and plans described in the handbook may be revised by the County at any time without prior notice. The County retains the exclusive right to change, add to, eliminate, or modify any of the policies in the handbook at any time at its discretion, with or without notice.

Any promises, representations, or actions by a County official or employee which are contrary to this handbook are not the official policy of the County, and are of no force or effect. This handbook supersedes and cancels the effect of any previous versions of a County employee handbook.

This employee handbook is not intended to create any contractual rights in favor of you or the County. This handbook is not to be construed as an employment contract, express or implied, or as a promise that you will be employed for any specified period of time. Employees may resign their employment at any time and for any reason, and the County reserves the same right to terminate any individual's employment at any time and for any reason. Nothing in this handbook changes the at-will nature of your employment with the County.

## **SECTION TWO: EMPLOYMENT POLICIES**

### **EQUAL EMPLOYMENT OPPORTUNITY, HARASSMENT AND ADA COMPLIANCE**

**2.1**

#### **Equal Employment Opportunity**

Benton County is dedicated to equal employment and advancement opportunities. It is the County's policy to hire and promote qualified individuals on the basis of their qualifications, interest and aptitude, without unlawful regard to race, religion, color, sex, age, national origin, sexual orientation, gender identity, disability, or any other characteristic protected by local, state, or federal law. This policy applies to all terms, conditions, and privileges of employment, including but not limited to recruiting, hiring, training, transfers, promotions, benefits and separation from employment.

#### **Americans with Disabilities Act and the ADA Amendments (ADAAA)**

The Americans with Disabilities Act (ADA) and the Americans with Disabilities Amendments Act, known as the ADAAA, prohibit discrimination against qualified individuals on the basis of disability. It is the policy of Benton County to comply with the Americans with Disabilities Act (ADA). Benton County will not discriminate against any qualified employee or job applicant with respect to any terms, privileges, or conditions of employment because of that person's physical or mental disability. In compliance with the ADA, the County will consider reasonable accommodations that do not pose undue hardship to the County to enable qualified applicants or employees with disabilities to perform the essential functions of the position. The County encourages applicants or employees to make suggestions regarding reasonable accommodations to their supervisors, department heads, or the County ADA Coordinator.

#### **Anti-Harassment Policy and Complaint Procedure**

The County prohibits harassment based on any of the following actual or perceived traits or characteristics, including but not limited to, age, color, creed, national origin, race, religion, marital status, sex, sexual orientation, gender identity, physical attributes, physical or mental ability or disability, ancestry, political party preference, political belief, socioeconomic status, or familial status.

Harassment, retaliation, coercion, interference, or intimidation of any employee due to that employee's race, religion, color, sex, age, national origin, disability or any other characteristic protected by local, state, or federal law is strictly forbidden. The conduct in the workplace includes, but is not limited to: epithets, slurs, or negative stereotyping; threatening, intimidating, or hostile acts or words; and written or printed materials that denigrate or show hostility to an individual or group made or posted in the workplace or in the course of employment for the County. Such conduct is a prohibited form of discrimination under state and federal employment laws and is also considered misconduct subject to disciplinary action.

## **Preventing Sexual Harassment in the Workplace**

**Purpose:** It is Benton County's policy that all employees are responsible for assuring that the workplace is free from sexual harassment. Because of the County's strong disapproval of offensive or inappropriate sexual behavior at work, all employees must avoid any action or conduct, which could be viewed as sexual harassment.

Sexual harassment has been defined by federal and state regulations as a form of sex discrimination. It can consist of unwelcome sexual advances, requests for sexual acts or favors, or other physical and verbal conduct of a harassing nature by county supervisors, department heads, other supervisory personnel, co-workers, or others in the workplace.

1. Sexual harassment exists when:
  - a. A Department Head, or any person in a supervisory capacity makes submission to such conduct either an explicit or implicit term or condition of employment (including hiring, compensation, promotion, or retention);
  - b. Submission to or rejection of such conduct is used by a Department Head or other supervisory personnel as a basis for employment decisions.
2. Sexual harassment may also exist when conduct by any county employee or by people who are not employees, unreasonably interferes with an employee's work performance or creates an intimidating work environment. Such conduct may take various forms, as for example:
  - a. Verbal – sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, threats.
  - b. Nonverbal – sexually suggestive objects or pictures, graphic commentaries, suggestive or insulting sounds, leering, whistling, obscene gestures.
  - c. Physical – unwanted physical contact, including touching, pinching, brushing the body, coerced sexual intercourse, assault.
3. Sexual harassment of employees by non-employees in the workplace is not acceptable and should be reported to the Department Head. Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal, written or physical conduct that denigrates or shows hostility or aversion toward an individual because of race, color religion, creed, sex, gender identity, sexual orientation, national origin, age, disability, pregnancy, marital status, genetic information, status as a military veteran or any other characteristic protected by law and that has the a) purpose or effect of creating an intimidating, hostile or offensive work environment; b) has the purpose or effect of unreasonably interfering with an individual's work performance; or c) otherwise adversely affects an individual's employment opportunities.

If you believe that you are being harassed or subjected to discrimination of you may file a complaint using the same procedures for sexual harassment allegations as described below.

### **Individuals and Conduct Covered**

This policy covers all full-time, part-time and seasonal employees, as well as non-employees, such as independent contractors, volunteers, vendors and interns.

**Procedures:**

1. Any employee who believes they have been the victim of conduct prohibited by this policy or who believe they have witnessed such conduct should discuss their concerns with their immediate supervisor or the County Auditor, or the County Attorney, or any members of management.
2. The party receiving a complaint of harassment shall immediately notify the Board of Supervisors, unless the complaint is against a board member, who shall promptly name an investigator. In the event the complaint is against a Board of Supervisor member, the party receiving the complaint shall immediately notify the County Attorney, who shall promptly name an investigator. Investigations will be conducted in a timely manner. Confidentiality will be maintained to the extent that is possible. The ability to maintain confidentiality may depend on what component of the sexual harassment policy is involved at any one time. The complaining party and any witnesses will be notified in advance if it is anticipated that it may not or will not be possible to maintain confidentiality. As noted below, any retaliation against a complaining party or witnesses is strictly prohibited.
3. Investigation of a complaint will normally include conferring with the parties involved and any named or apparent witnesses. All employees shall be protected from coercion, intimidation, retaliation, interference, or discrimination for filing a complaint or assisting in an investigation.
4. Any employee determined by impartial investigation to have harassed another employee will be subject to appropriate disciplinary procedures, up to and including termination.
5. The Department Head of an employee who has been harassed by a non-employee in the workplace will inform the non-employee of the County's harassment policy; other action may be taken as appropriate.

**EMPLOYMENT VERIFICATION****2.2**

---

To comply with the employment verification requirements of the United States Citizenship Immigration Services Agency (USCIS) of the United States Department of Homeland Security, the County requires all employees to present documented proof of identity and eligibility to work in the United States, which will include completion of Section 1 of the USCIS form I-9 and submission of proof of employment and identity.

**MEDICAL EXAMINATIONS****2.3**

---

The County may require you to submit to a pre-employment, job-related medical examination (including a drug screen) by a physician designated by the County or by your own physician if approved by your department head. The medical examination will be conducted after you have been offered a position and before you start work if the medical examination is required of all entering employees in the classification.

You may also be required to submit to a job-related medical examination when necessary to determine if you are still able to perform the essential functions of your position, and to any fitness for duty examinations required by federal, state or local law or County policy.

All medical information collected by the County will be maintained in a confidential, locked file separate from other personnel files.

## **EMPLOYMENT OF RELATIVES**

**2.4**

Relatives of current employees are eligible for employment with the County, subject to limitations of Iowa Code Chapter 71 and the terms of this policy. To avoid the appearance of favoritism and difficulties in administering discipline, the County will not hire, appoint, transfer, promote, or otherwise place an individual in a position that involves the supervision of, or by, a family member. For purposes of this policy, "family member" includes the individual's spouse, child, parent, brother, sister, grandchild, grandparent, uncle, aunt, nephew, niece, great grandchild, great grandparent, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and the following step relatives: mother, father, child, brother, sister, grandchild, grandparent, uncle, aunt, nephew, niece, great grandchild, great grandparent.

If a supervisory relationship between family members is created by a marriage, one of the two affected employees must transfer, if possible, or will terminate employment within 90 days. If the two employees cannot make the decision in a timely manner, length of service in the department will be the deciding factor and the least senior employees will be transferred if possible. Otherwise, the employment of the least senior employee will be terminated.

Newly elected officials and their relatives and qualified relatives shall be exempt from this policy only to the extent that neither the newly elected official nor said official's relatives and/or qualified relatives will be terminated or required to resign from employment. A qualified relative is defined as any person related by consanguinity (blood) or affinity (marriage) within the third degree.

Relatives who worked in the same department on or before the date this policy was adopted are exempt from the regulations set forth herein.

This policy applies to all categories of employment including regular, temporary, and part-time. Temporary election workers are exempt from the regulations set forth herein.

## **PERSONNEL FILES AND REFERENCES**

**2.5**

The County maintains personnel files on each employee. These files may contain job-related information including performance appraisals, disciplinary records, and some beneficiary designations. Any information contained in the files will be released only if required by law, or if you make a written request for the County to release the information for reference purposes. The County will release any information relating to the results of federally required drug tests in accordance with the applicable law.

If you are interested in reviewing the contents of your file, you may do so at a time mutually agreed upon by you and your department head, except you will not have access to or be able to review letters of reference received or furnished by the County or any reference check performed by the County. A representative of the County may be present during your review. You may, at your own expense, request and receive copies of the contents of your personnel file, except as provided above. The County may charge a reasonable fee to copy the requested items, not to exceed \$5.00.

To assure that our records are current, you must notify your department head and the Auditor's Office whenever there are any changes in your home address, telephone number, marital status, emergency contact, beneficiary designations, and number of dependents. You must also inform your department head of a current emergency contact.

Benton County desires to provide helpful job-related information to prospective employers. Therefore, the Department Head may provide a job reference upon request. All requests for references should be referred to the Department Head of the department. The employee must provide a signed release. If a release is not provided, only the Department Head the Auditor's Office may provide the following information:

- The employee's name
- The employee's job title
- The employee's dates of employment
- The employee's wages

The Department Head should act reasonably in providing work-related information, and should only provide information to a person who has a legitimate interest in receiving the information, and only such information as is relevant to the inquiry being made

## **JOB POSTINGS/VETERAN'S PREFERENCE**

**2.6**

Whenever a non-deputy position becomes available, a notice of such opening will be posted on the Courthouse bulletin board for at least ten calendar days before the deadline for filling the position, and posted on the County website for a similar period, if available. The notice will be posted near meeting agenda notices and will contain the position title, a brief job description, and minimum hiring specifications. Exceptions to the posting requirement include deputies, private secretaries, or other positions in a confidential relation to the appointing officer.

A person who qualifies for coverage under the Iowa Veterans Preference statute, Iowa Code Chapter 35C, may be entitled to a preference in initial hiring or appointment and in employment, if other applicants have no greater qualifications than the person who qualifies for coverage under the Veterans Preference Statute. A person who believes that they may qualify for coverage is required to provide the County with appropriate proof of qualification under the Veterans Preference Statute, which will include an appropriately verified copy of the person's Form DD214, Report of Separation. Decisions on applicants' relative qualifications are at all times reserved to the person or entity who has final authority to make the hiring or appointment decision.

Application forms are available from the department advertising the position and shall be submitted to that department head. Applicants, including current employees, shall be considered on the basis of ability, performance, experience, training, aptitude, and other job-related qualifications. Military service may also be a factor in hiring decisions, as provided by Iowa's Veteran's Preference law.

## **MILEAGE AND EXPENSE REIMBURSEMENT**

**2.7**

Officials and employees shall be granted reasonable expenses while attending meetings pertaining to county government as follows:

1. Mileage: Benton County will compensate an employee at the rate set forth by the IRS on a per mile basis when the employee is required to provide his or her own transportation in order to perform their job function. Mileage will start at employee's residence, unless the employee is reporting from work first, then it would be place of employment to meeting and back to employment.
2. Lodging:
  - A.) Lodging outside of Linn, Johnson, Iowa, Poweshiek, Tama, Black Hawk, and Buchanan Counties: Reimbursement for all lodging expenses requires corresponding receipts.
  - B.) Lodging inside of Linn, Johnson, Iowa, Poweshiek, Tama, Black Hawk, and Buchanan Counties:

**[NOTE: This policy does not apply to coursework or trainings approved by a Department Head or Elected Official, and which meet State and/or Federal licensing requirements for any employee. Further, this policy does not apply to trials that take place in any county outside of Benton County pursuant to a court ordered change of venue. In these situations paragraph 2.A. of this policy apply.]**

Reimbursement for all lodging expenses requires corresponding receipts. The amount of reimbursement shall be limited to an amount equal to the amount paid for mileage for one roundtrip to the meeting destination. The lodging will only be reimbursable when the employee's attendance meets a business purpose on both days surrounding the overnight stay. Any portion of the lodging expenses exceeding the roundtrip rate shall be the responsibility of the employee. If there is not a business purpose for both days surrounding the overnight stay, then the entire amount of lodging for that night is the responsibility of the employee. Additional nights of lodging will be reimbursed in the same manner as set forth in this paragraph.

The following examples are for assistance in the administration of paragraph 2.B., above, and are for illustrative purposes only:

Example 1: Employee A attends meetings on Monday and Tuesday in Cedar Rapids (60 miles roundtrip). The meetings on both days qualify as a business purpose. The employee may stay overnight in Cedar Rapids on

Monday night, but will only be reimbursed in an amount equal to 60 miles (one roundtrip) x the current mileage rate.

Example 2: The same employee also stays Tuesday night (second night) in order to continue attending meetings/classes on Wednesday. The employee will be reimbursed for the second night stay at the same rate as the first night.

Example 3: The same employee stays Tuesday night (second night) in order to attend a social gathering and avoid driving home late. There are no meetings on Wednesday. The entire lodging expense for Tuesday night is the responsibility of the employee.

3. Meals & Incidentals:

Tips/Gratuities and alcoholic beverages will not be reimbursed by the County. No exceptions.

A.) Travel within the State of Iowa: Employees may be reimbursed on a per diem basis at the rate of \$30.00 per day for meals and incidentals when traveling within the State of Iowa, except when traveling to and in the following counties: Linn, Johnson, Iowa, Poweshiek, Tama, Black Hawk, and Buchanan. No receipts are required when an employee is being reimbursed on the per diem basis.

B.) Travel to and in Linn, Johnson, Iowa, Poweshiek, Tama, Black Hawk, and Buchanan Counties: Employees shall be reimbursed a maximum of \$20.00 per day for meals and incidentals when traveling to and in Linn, Johnson, Iowa, Poweshiek, Tama, Black Hawk and Buchanan counties. Receipts for all meals and incidentals are required for reimbursement on a non-taxable basis. Reimbursement without corresponding receipts shall be subject to withholding tax according to IRS regulations.

**[NOTE: This policy does not apply to coursework or trainings approved by a Department Head or Elected Official, and which meet State and/or Federal licensing requirements for any employee. Further, this policy does not apply to trials that take place in any county outside of Benton County pursuant to a court ordered change of venue. In these situations paragraph 3.A. of this policy apply.]**

C.) Exception: Meals and incidentals are not eligible for reimbursement regardless of location when included in meeting registration fees. A copy of the meeting registration form or meeting agenda indicating if meals are included should be attached to claims for reimbursement whenever possible.

D.) Meals and incidental expense while traveling inside of Benton County are not eligible for reimbursement.

4. Travel outside of the State of Iowa: Employees traveling outside of the State of Iowa shall be reimbursed in the same manner as set forth in Paragraph 3,

Section A, above, unless otherwise approved by the Board of Supervisors in advance.

5. Parking Fees: Parking fees are allowable only when validation or free parking is not available. Receipts are required for reimbursement. Employees may claim reimbursement for their actual expense for metered parking and/or when a parking receipt is not provided, however the amount may be reported as taxable income on the employee's wages unless the expense is minimal and a reasonable explanation of the expense is provided and approved by the department head.
6. No compensation will be allowed for expenses of anyone other than the county employee.
7. Parking tickets or traffic violations are the responsibility of the employee and will not be reimbursed by the county, unless approved by the Board of Supervisors.
8. For alternative transportation, i.e. airline transportation, please see policy below.
9. Determination of need for rest. Benton County has determined that any travel outside of Linn, Johnson, Iowa, Poweshiek, Tama, Black Hawk, and Buchanan Counties is of sufficient distance and time that a period of rest is needed.

**Alternative Transportation:** When driving is not feasible or cost effective, payment for alternative transportation must be pre-approved by the Board of Supervisors.

1. Claims of transportation expense must show point of departure, intermediate, and final destinations. Claims for commercial carrier transportation reimbursement must be accompanied by receipts, and shall not exceed coach fare.
2. The cost of first class transportation will be considered standard only when coach fare is not available, and must be approved by the Board of Supervisors in advance.
3. Early ticket purchase of coach fare tickets will be allowed to take advantage of reduced costs. However, if an employee fails to cancel the ticket within the proper time if unable to attend conference, employee will be responsible for the cost of the prepaid ticket, unless justified emergency can be proven.

## **JOB PERFORMANCE EVALUATIONS**

**2.8**

Each Department Head may conduct job performance evaluations of every employee under the supervision of the officer. These evaluations shall be conducted in writing, with a copy supplied to the employee, and a copy retained in the employee's file in the Department Head's Office. Employees who report directly to the Board of Supervisors shall have their employee evaluations filed in the Auditor's office.

## **TRANSFERS AND PROMOTIONS**

**2.9**

---

The County believes that current employees should be given consideration for advancement and promotional opportunities if they possess the qualifications for the open position. Therefore, current employees will be considered for job openings within the employee's department or an opening/vacancy in another department. An employee transferring to another department will receive the benefits applicable to the department the employee is joining.

Employees without a break in service will keep their anniversary date, and will not lose accrued vacation and sick time. If the transferring employee has any accumulated compensatory time, it will be paid in a lump sum prior to the transfer to the new department.

## **SEPARATION FROM EMPLOYMENT**

**2.10**

---

When the employee initiates separation from employment, the employee is required to file written notice with the department head and the county auditor at least two weeks prior to resignation or separation from county service. The requirement for two weeks' notice of resignation or separation from County employment may, in exceptional circumstances, be waived. A decision to waive the two week requirement will be made by the person with supervisory authority over the employee and any governing body with authority over employment matters for the employee.

Upon resignation or separation from county service with proper notice, an employee shall be paid on a pro-rated basis for all unused vacation and unused personal day(s) at the time of separation.

No vacation time shall be allowed to be taken during the last two weeks of employment unless approved by the Department Head.

An employee's annual allowance to take a day off with pay in observance of the employee's birthday shall be forfeited if not taken prior to the time of the resignation or separation.

Upon involuntary separation and/or separation without the required advance notice will result in forfeiture of any vacation pay, unused personal day, or sick leave conversion.

As you know, your employment may be terminated at any time by either the County or yourself. The employment relationship will be broken and terminated if you resign, retire, or are discharged.

## **INCLEMENT WEATHER AND WORKSITE CLOSING**

**2.11**

---

Because the County serves the citizens of the County, the Courthouse will always remain open during regularly scheduled hours. In extreme circumstances, however, the Board of Supervisors or a designated committee may determine that it is necessary to close the courthouse or other County offices and facilities. If an employee's office is

closed by the County, regular full-time employees scheduled to work during that time will be compensated at their regular rate of pay to complete their normal work hours.

In case of severe weather conditions, such as a snowstorm, defined as blizzard conditions as determined by the National Weather Service, or tornado or flooding conditions, the following policy will be in effect:

1. If an employee is unable to get to work due to severe weather, the employee will be allowed to charge the absence to vacation or compensatory time provided the employee has the time accumulated. If no paid time is available, the employee may choose to take the time off without pay.
2. An employee may request to leave work early because of severe weather conditions. If the request is approved, the employee may use accumulated compensatory time or vacation. If no paid time is available, the employee may choose to take the time off without pay with department head approval.
3. Benefit accumulation and eligibility will not be affected if an employee chooses to take the time off without pay.
4. Employees in departments that serve the public during severe weather (including departments that provide snow removal and law enforcement services) are expected to report to work during severe weather conditions, unless notified otherwise by their department head.

## **WORKPLACE PRIVACY AND SEARCHES**

## **2.12**

The County attempts to maintain equipment and supplies which permit work to be accomplished in the most efficient and effective manner possible. While employees are encouraged to use these items, it is important to understand that they are County property and are to be used to conduct County business.

As part of your employment, a desk or work space may be made available to you. The desk and work space are County property. Because the desk and work space are County property, not your personal property, the desk and work space are subject to being inspected by the County at any time, with or without notice to you.

The County assumes no responsibility or liability for any items of personal property which are placed in the desk or work space which is assigned to you.

If the County conducts an examination or inspection under the terms of this policy, there will be at least two individuals present at the time of the examination or inspection.

Accessing files or materials from your desk/work space for the necessary, normal workflow does not constitute an examination or inspection of your desk/work space.

Benton County requires bills/claims to be paid off of Invoices to avoid duplication. Monthly statements are only accepted for Utility Bills and Phone Bills.

New Vendors or Payees will need to have a W9 on file with the Auditor's office. If you are unsure if the Vendor or Payee is new please contact the Auditor's office to verify.

Department heads or Elected Officials are responsible to get their bills turned into the Auditor's office on time. Finance/late charges will be the responsibility of the department head or elected official. Department Heads or Elected Officials are responsible for arranging the sales tax exempt status of Benton County.

Auditor's office will give Departments a Schedule of the Proposed Payable Deadline & Check Issued Dates for the Fiscal Year. Claims must be in the Auditor's office by 4:30 p.m. on the dates listed in the Schedule.

Claims need to be approved by Department Head or Elected Official unless otherwise designated by Department Head or Elected Official. Budget line items and Department Head or Elected Officials approval needs to be written on individual invoices. Auditor's office will audit budget line items listed on bills/claims to ensure budget line items are being used lawfully.

Mileage and Expense Reimbursement claims per handbook 2.7 shall be granted. Claims need to describe how many miles, where the employee drove to and for what purpose. Claims should also state where the drive started from whether it is from work or home. Employee and Department Head or Elected Official need to sign off on claim. Any receipts need to be attached with claim form. See Example 2.14 of Meal or Mileage Claim form.

#### Work Schedules

Employees are expected to report to their work site during the working hours established by the department head. The department head shall determine work schedules, including meal periods and interruptible rest periods, for all employees in their departments. However, all office hours will coincide with the business hours of the County as established by the Board of Supervisors. Nothing in this or any other section

of this handbook shall be construed as a guarantee of the number of hours an employee will be scheduled to work. Daily and weekly work schedules may be changed at the discretion of each department head to meet varying conditions and workload.

### **Recording Work Hours**

All employees must accurately record their hours worked for each pay period on a form provided by their department head.

All required deductions, including those for state and federal taxes and all authorized voluntary deductions, including health insurance contributions, will automatically be withheld from your paycheck. Direct deposit of your paycheck may be arranged with the Auditor's office. The Auditor's Office must be notified of automatic deposits and any changes no later than the Thursday prior to the next pay day. It is the employee's responsibility that the deposit account number on file with the Auditor's Office is accurate. Inaccurate account numbers may delay the deposit of funds. Employees are solely responsible for correcting any erroneous deposits made with depositories due to the failure of the employee to timely report changes or for providing inaccurate account information.

### **Pay Period**

The pay period is established by the auditor's office each January 1<sup>st</sup>, and is normally a two-week period beginning at 12:00 a.m. on a Saturday.

### **Work Period**

The work period for payroll purposes and for computing overtime for nonexempt employees begins at 12:00 a.m. Saturday and ends at midnight the following Friday.

### **Overtime Pay and Compensatory Time**

It is the intent of Benton County to comply with the Fair Labor Standards Act and any subsequent amendments. The following section does NOT apply to employees classified by FLSA as executive, administrative, or professional, except as set out in paragraphs 3 & 4 below. In accordance with the Fair Labor Standards Act, Compensatory time – overtime pay shall be allowed as follows:

1. An employee whose normal work week consists of 37½ hours, is allowed one hour compensatory time for each hour of actual work from 37½ to 40 hours in a work week. Compensatory time shall be allowed at the rate of 1½ hours off for each hour worked over 40 hours in a work week. Any hours worked over the normal work hours in a work week (37½ hours or 40 hours) shall be approved by the department head prior to working beyond the 37½/40 hours. Hours worked between 37 ½ and 40 hours is at the straight time rate of pay. *For the purpose of calculating compensatory time, an employee may only count actual hours worked; time taken off for holidays, sick leave, vacation or as compensatory time during a work week do not count as hours actually worked. **Compensatory time not reflected on the time sheet(s) filed with the Auditor's Office will not be recognized.***
2. Overtime pay may be allowed in lieu of compensatory time and shall be paid at any time in part or in full at the discretion of the department head. "Overtime

pay” is the amount which is 1.5 times the regular hourly rate for those employees paid on a per hour basis. Overtime pay will be granted only for hours worked in excess of 40 hours in a work week. Overtime pay shall be allowed only when it is specifically requested and approved by the department head where the employee works.

4. An employee, except Conservation employees, may accrue no more than 60 hours of compensatory time over a period of 90 days. Conservation employees, due to the seasonal nature of their work may accrue no more than 480 hours during their peak season. An employee must use accrued compensatory time before using vacation time. An employee who has not used compensatory time accrued in a fiscal year shall be paid for all accrued compensatory time remaining at the end of that fiscal year on the first payroll of the succeeding fiscal year, except for Benton County Conservation employees, who will be paid for compensatory time not used by April 1<sup>st</sup> of each year.
5. The department head may tell an employee to leave the place of employment in order to prevent accrual of compensation time, or may require the employee to use accumulated compensation time.
6. Compensatory time may be taken at the request of the employee only as scheduled by the department head.
7. Each department is to see that an accurate record of compensatory time – overtime pay is kept. These records shall be maintained for a period of 3 years and shall be reasonably accessible to the employee.
8. In the event of employment separation, accumulated compensation time shall be paid as overtime pay. The rate used shall be the actual rate of salary upon separation from service or the average salary of the last three years of employment, whichever amount is greater.

## **EMPLOYEE WORK HOURS**

## **3.3**

*(This section does not apply to elected officials or to FLSA “exempt” employees, except as noted.)*

A normal workday shall consist of 7-1/2 or 8 hours, excluding lunch hours, dependent upon job classification.

The provisions regarding work hours may be amended by a resolution adopted by the Board of Supervisors. Any such amendments will be incorporated into the Employee Handbook at the time of the next revision to the Employee Handbook.

Any employee absent due to reasons other than those allowed in the benefit package shall either receive no pay (see Unpaid Leave of Absence Section 4.9), or use vacation or compensatory time, as approved in advance by the department head.

75 hours or 80 hours (dependent upon normal work hours) of employment during a pay period is standard. Should a regular full-time employee work less than 75/80 hours in a pay period, the number of hours less than 75/80 shall be deducted from accumulated compensatory time. If the employee does not have any compensatory time accumulated the number of hours less than 75/80 shall be designated vacation, sick leave if applicable, or at no pay.

Employees must have prior written approval from the department head in order to take time off without pay.

All employees, except elected officials, are required to file a time sheet with their department head or designee, indicating the hours worked in a pay period. The time sheets will also indicate the hours of compensatory time and vacation time used and/or accrued during the pay period, if applicable.

The department head is responsible for filing their employee(s)'s time sheet(s) with the auditor's office no later than 10:30 a.m. on the Monday following the end of a pay period. When the Monday following the end of a payroll period falls on a holiday, timesheets must be filed with the auditor's office no later than 2:00 p.m. on the Friday ending the pay period. Time sheets not turned into the auditor's office by the time set out above may result in your paycheck being delayed until the payday for the following pay period.

**Breaks and Lunch Periods** Each employee shall receive an unpaid one hour lunch break, which shall be scheduled by the department head. Lunch breaks shall be staggered among the employees of each office.

A maximum of two paid breaks of up to fifteen minutes each may be allowed at the discretion of the department head.

**Employees should check with their department head to determine if additional departmental restrictions or guidelines apply to their work schedule.**

## SECTION FOUR: TIME OFF BENEFITS

Temporary, seasonal or part time employees are not eligible for holiday pay, paid birthday or personal business day.

#### **Pay For Holidays Worked**

Depending on the services provided by your department or office, you may be required to work on a holiday. If an employee is required to work on a recognized holiday, he/she will be granted another day off to be scheduled with the approval of the department head. Employees are not compensated extra for working a holiday except as provided in Section 3.2.

#### **Holidays During Unpaid Leave**

Employees on an unpaid leave of absence at the time a holiday occurs will not be paid for the holiday.

**Personal Day** Full-time employees will be granted one personal day each anniversary year, to be scheduled with the department head's approval. The personal day will be

granted to an individual only after completion of 30 calendar days of employment. It must be used within the year in which it is earned and cannot be carried forward.

**Employee's Birthday** Full-time employees will be granted one day for his/her birthday per anniversary year, to be scheduled with the department head's approval. This day will be granted to an individual only after completion of 30 calendar days of employment. It must be used within the year in which it is earned and cannot be carried forward.

## **VACATION**

**4.2**

A regular full-time employee is eligible to receive vacation as follows:

After six (6) months – 5 days  
After one (1) year – 10 days  
After eight (8) years – 15 days  
After seventeen (17) years – 20 days

New employees may be granted additional paid vacation days upon hiring, at the discretion of the department head and with the approval of the Board of Supervisors, in order to secure their employment.

All vacation is based on continuous employment.

The scheduling of vacation time must be approved in advance by the department head. Vacation time earned shall be based on the employee's anniversary date.

All vacations must be taken during the twelve month period following the anniversary date of qualifying employment unless approved in writing by the official in charge with a written copy to the Auditor's Office prior to the employee's anniversary date. Vacation time carried over must be taken within the time period specified by the department head. No more than ten days may be carried over in this fashion. An employee who has not used his or her vacation time and has not been granted an extension as set out above will lose that time.

Temporary, seasonal or part-time employees are not eligible for paid vacation leave.

Vacation time may only be "cashed in" upon separation from employment or upon written approval of the department head and the Board of Supervisors.

## **SICK LEAVE**

**4.3**

Regular full-time employees will accrue sick leave at the rate of 5.5 hours per 75/80-hour pay period. The maximum number of hours that an employee will be able to accrue is 750 hours for those employees whose normal workday is 7½ hours and 800 hours for those employees whose normal workday is 8 hours. Should an employee go below 750/800 hours, they will again accrue at the rate of 5.5 hours per pay period. If in any

pay period an employee used more than 37½ or 40 hours of sick leave depending on the employee's normal work week, no sick leave will be earned for that pay period.

Accumulated sick leave may be used for any of the following:

1. Serious or confining illness of the employee.
2. Medical or dental appointments of employee, or his/her spouse, parent or child which cannot be scheduled during non-working hours. In such cases, sick leave shall be charged in half-hour increments with a minimum of ½ hour. Absence of more than ½ hour shall be charged at the next highest half-hour.
3. A maximum of 3 days per year may be used for care of a sick parent, child, or spouse.

It is the intent of Benton County to comply with the Federal Family Medical Leave Act and its amendments. Employees should refer to Benton County's policy "Family Medical Leave".

The need for a doctor's certificate for absences of more than one day will be left to the discretion of the department head.

### **SICK LEAVE CONVERSION**

At the request of an employee who has reached the maximum accumulation of sick leave (100 days) at the beginning of a month and does not use any sick leave during that month, the hours of sick leave the employee would have accrued during that same month may be converted as follows:

- a. into vacation time at the rate of five sick hours to one vacation hour (5:1), OR
- b. to pay at the rate of five hours of sick leave to one hour of pay (5:1).

Employee requests for conversion must be filed with the Auditor's Office at a minimum of two times a year. Requests for conversion on hours earned prior to June 1<sup>st</sup> must be filed by June 1<sup>st</sup> of that year and requests for conversion on hours earned between June 1<sup>st</sup> and December 1<sup>st</sup> of each must be filed by December 1<sup>st</sup> of that year. Employees not requesting conversion in accordance with the stated dates will not be eligible to convert the sick leave hours earned in accordance with this section. This does not prohibit employees from requesting conversion on a more frequent basis.

Sick leave conversion to vacation time will be subject to all of the provisions of this handbook pertaining to vacation time.

“Donated leave” means a donor’s personal day or vacation leave donated to a recipient.

- B. Recipients will not be eligible to receive paid holidays, accrue vacation, accrue sick leave, or accrue longevity based on donated leave hours.
- C. A donor may donate as much of their accrued vacation time as they wish. Sick hour donations are limited to 20 hours per person per recipient. Personal day hours are limited to 8.

E. Donated leave shall not be returned to the donor once donated. All unused leave is forfeited.

#### Procedure

Donated Leave Request form can be obtained from Human Resources. Upon the submission of a completed Donated Leave Request, the Auditor's Office will distribute a notice to all departments indicating that an employee is eligible to receive donated leave. Donors may submit Donated Leave Contribution forms to their department head for a period of two weeks following the date the notice of a recipient's eligibility is posted.

Confidentiality of donors and recipients will be maintained to the extent possible.

The recipient shall only use the donated leave for the specific leave requested on the Donated Leave Request form filed in Human Resources.

Union employees may donate leave to non-union employees under the provisions of their negotiated contract. Non-union employees may donate leave under the provisions of this Employee Handbook.

All donations of leave must be given voluntarily. Employees are free to participate or not to participate at will. No employee shall be coerced, threatened, intimidated, or financially induced into donating leave for purposes of this program.

## **FUNERAL/BEREAVEMENT LEAVE**

**4.5**

Regular-full time employees are eligible for up to five days of paid time off in the event of the death of the employee's spouse, parent, or child. Up to three days will be allowed for the death of the employee's grandparent, grandchild, sibling, or corresponding in-law or step relative.

Compensation for funeral absence will be at the employee's rate for hours not to exceed the employee's normal work hours per day. Payment will be made only for those days which you would have worked. If a death in your family occurs, please notify your supervisor/department head as to the expected length of your absence. An employee must attend the funeral to be eligible for paid funeral leave.

Any employee may request to use vacation or earned compensatory time, or an unpaid leave to attend the funeral of a relative or friend, subject to the approval of the department head.

## **JURY AND WITNESS DUTY**

**4.6**

Any full-time or regular part-time employee required to report for jury duty shall receive a paid leave of absence for the time spent on duty subject to the requirements of this policy. All other employees shall receive an unpaid leave for jury duty.

While on paid jury leave, the County will continue your regular salary, but you must submit certification of the number of hours spent in such service and assign any compensation you receive in connection with the duty, less any reimbursement for travel or meal expenses, to the County. Employees on unpaid leave for jury duty will retain compensation received for jury service.

Any employee subpoenaed to appear as a witness in a civil or criminal proceeding may use earned vacation or accrued compensatory time (if applicable) with department head approval or may apply for an unpaid leave of absence under Section 4.9 of this handbook.

All employees summoned to jury duty or witness duty must submit a copy of the summons to their supervisor within two working days after receiving the summons. Employees on jury or witness duty are expected to promptly return to work when released from service, either permanently or temporarily.

Hours spent by any employee appearing as a witness in any job-related legal proceeding at the direction of the County shall be considered to be work time.

## **FAMILY AND MEDICAL LEAVE**

**4.7**

It is the policy of the County to provide unpaid family and medical leave in accordance with the federal Family and Medical Leave Act (FMLA) of 1993. Whether or not a particular situation is covered by FMLA depends on whether the law's requirements have been met, not on whether an employee actually requests FMLA leave. The County will designate leave as FMLA leave if the employee is eligible for FMLA leave and if the law's other requirements are satisfied, even if the employee has not requested FMLA leave.

### **Leaves Available**

An eligible employee will be granted up to twelve (12) work weeks of unpaid, job-protected leave each twelve-month period for any of the following qualifying reasons:

1. The birth of and/or need to care for your newborn child;
2. The placement of a child with you for adoption or foster care;
3. The need to care for your spouse, child, or parent with a serious health condition; or
4. A serious health condition that makes you unable to perform the functions of your job.
5. Because of any qualifying exigency (urgent need) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been

notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. Qualifying exigencies may include attending certain military events, arrangement for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions and attending post deployment reintegration briefings.

### **Service Member Leave**

An eligible employee who is the spouse, son, daughter, parent or next of kin (as defined by Iowa Code 29 CFR 825.122(e)) of a covered service member shall be entitled to a total of 26 workweeks of leave during a single 12 month period to care for the service member with a serious injury or illness. The 26 workweeks is a combined total with other reasons for FMLA leave. For example, if an employee had used 6 weeks of FMLA leave for his/her own serious health condition, 20 weeks would be available during that 12 month period for service member leave.

### **Eligibility Requirements**

To be eligible for family and medical leave, you must have worked for the County for at least twelve (12) months, and for at least 1,250 hours during the twelve (12) months immediately preceding the start of the leave.

### **General Provisions**

For purposes of this policy:

**“Child”** means son or daughter under 18 years of age, or a child 18 years of age or older who is incapable of self-care because of a mental or physical disability. An employee’s child is one for whom the employee has actual daily responsibility for care and includes a biological, adopted, foster or step-child.

**“Parent”** means the employee's biological parent, or an individual who stood in place of the parent of the employee. "Parent" does not include parents-in-law.

**“Serious health condition”** means an illness, injury, impairment, or physical or mental condition that involves

- ☐ inpatient care in a hospital, hospice, or residential medical care facility; or
- ☐ a period of incapacity that requires absence from work for more than three consecutive calendar days AND involves either two or more treatments by a health care provider, or at least one treatment by a health care provider plus a regimen of continuing treatment; or
- ☐ any period of incapacity due to pregnancy or for prenatal care;
- ☐ a chronic serious health condition;
- ☐ long-term conditions for which treatment may not be effective; or
- ☐ multiple treatments and recovery there from.

**“Spouse”** does not include an unmarried domestic partner.

The **“twelve month period”** during which the leave entitlement occurs is designated as the employee’s anniversary year.

**Married employees:** If you and your spouse are both employed by the County, and are both eligible for family and medical leave, you and your spouse will be limited to a

combined total of twelve (12) weeks of family and medical leave a year taken for any one or all of the following reasons: birth of a child or to care for the child after birth; placement of a child with you for adoption or foster care, or to care for the child after placement; or to care for your parent with a serious health condition. This limitation does not apply in cases of leave to care for the serious health condition of your spouse or child, or because of your own serious health condition.

### **How and When Leave May Be Taken**

Family and medical leave is taken either in consecutive workweeks; intermittently in separate blocks of time; or by reducing the number of days you work per week, or hours per day.

**Intermittent or reduced schedule** leave may be taken when medically necessary to care for your spouse, child, or parent with a serious health condition, or because of your own serious health condition. You must provide the County with medical certification of the need for intermittent or reduced schedule leave, and must attempt to schedule your intermittent or reduced schedule leave so as not to disrupt County operations. You may be transferred temporarily to an alternative position or schedule, with equivalent pay and benefits, which better accommodates the intermittent leave or reduced schedule. Leave for childbirth, adoption or foster care may be taken intermittently or on a reduced leave schedule only if the employee's department head agrees to the proposed intermittent or reduced leave schedule.

Leave for the birth of a child or placement of a child for adoption or foster care must be taken within twelve (12) months of the birth, adoption or placement.

### **Notice and Planning Requirements**

If you know in advance that you will be taking leave because of birth, adoption or placement of a foster child in your home, or because of planned medical treatment for you or a covered family member, you must notify your supervisor in writing using a "Request for Family/Medical Leave" form at least thirty (30) days in advance.

When the need for leave is foreseeable based on planned medical treatment for you or your covered family member, the County expects you to consult with your department head and to make a reasonable effort to schedule the treatment so as not to unduly disrupt County operations.

In the event the timing of the leave is not foreseeable, you are required to give notice of the need for leave as soon as practicable, generally within no more than one or two working days of learning of the need for leave.

### **Medical Certification**

The County reserves the right to require written medical certification from the appropriate health care provider when leave is requested to care for a child, spouse, or parent with a serious health condition, or because of your own serious health condition. Medical certification forms are available from your department head or the County Auditor's Office. Certification will include the date of onset, the probable duration, type of treatment, and other appropriate medical facts concerning the condition. If you are seeking leave for your own health condition, the certification must also state that you are unable to perform the functions of your position. For leave to care for a family member,

the certification must state that you are needed to care for the family member, and an estimate of the amount of time you will be needed. Other certification requirements apply in the case of intermittent or reduced schedule leave.

In lieu of medical certification, a notice from a health care provider or legal documentation shall be accepted for birth, or placement for adoption or foster care.

The County may require recertification and periodic reports from employees during leave.

### **Use of Paid Leave**

The County will require you to use paid leave as part of your family and medical leave as follows:

1. You must use any accrued vacation, and then applicable sick leave (see use of 3 days of sick leave for family illness covered in section 4.3) for any portion of the twelve (12) week leave for birth, adoption, foster placement, or to care for a child, spouse, or parent with a serious health condition. All accumulated sick leave can be used for the care of your child, spouse, or parent with a serious health condition after all accrued vacation has been used.
2. You must use any accrued sick and then accrued vacation leave for any portion of the twelve (12) week leave to care for your own serious health condition. Any situations in which you use paid sick leave because you are unable to work due to a condition that qualifies as a serious health condition under this policy will be counted against your twelve week FMLA entitlement.

When you have used all required paid leave for any portion of a FMLA leave, the balance of the leave will be without pay.

### **Rights and Benefits During Leave**

Seniority and vacation will accrue only during periods of paid leave. Sick leave will accrue in accordance with the County's policy on sick leave. Please see section 4.3.

Eligible employees will be paid for any holidays occurring during paid FMLA leave. Holiday pay will not be paid during any unpaid FMLA leave.

All benefits which you had accrued before taking leave will be retained after returning from an approved FMLA leave, if not depleted during the leave.

While you are on family or medical leave, paid or unpaid, the County will continue your group health insurance coverage at the same level and under the same conditions that coverage would have been provided had you continued working. The employee will be required to pay the same cost of coverage as if he or she were actively at work. Employee contributions to the premium will be required either through payroll deduction or by direct payment to the County Auditor's Office by the end of the month for the following month's coverage. The employee will be informed of the amount and method of payment at the beginning of the leave. Loss of insurance coverage may result if the premium amount is more than thirty days late. If the employee misses a premium payment and the County pays the employee's contribution, the employee will be required to reimburse the County for the delinquent payment upon return from leave.

Under certain circumstances that are addressed in the FMLA administrative guidelines, if you fail to return to work after an approved FMLA leave, the County may require you to reimburse it for the amount the County paid for your health insurance premium during the leave.

### **Returning to Work**

At the conclusion of your FMLA leave, you will be restored to your former position, if that position is vacant, or one with equivalent pay, benefits, and conditions of employment, provided you have complied with the requirements of this policy.

Upon returning to work from leave due to your own serious health condition, you may be required to provide certification from your health care provider that you are able to resume work and are fit for duty.

If you fail to return to work after your approved FMLA request has expired, and you have not contacted the County, the County shall regard this as your resignation.

## **MILITARY LEAVE**

**4.8**

### **Leaves Available**

The County will grant leaves of absence for military service to full-time and part-time regular employees in accordance with applicable state and federal law. A full-time or part-time regular employee, who is a member of the uniformed services, when ordered by proper authority to serve in the uniformed services, shall be granted leave for the period of service. The first thirty calendar days of military leave each calendar year shall be without loss of pay. Any amount of military leave taken during any part of an employee's scheduled workday, regardless of the number of hours taken, shall count as one day toward the thirty calendar days without loss of pay. If the leave is for a period of less than 30 days, only those days the employee normally works will count toward the 30 days of leave. Absences required for military service that exceed thirty (30) calendar days shall be granted in accordance with the County's policies on vacation, personal, compensatory time, or unpaid leave, and with applicable state and federal law.

Employees must submit their written military orders to their department head prior to the commencement of the military leave.

### **Reemployment Rights - Eligibility**

Your eligibility for reemployment with the County after you complete military service will be determined in accordance with applicable state and federal law. Conditions for reemployment are briefly explained as follows:

1. You, or an appropriate officer of the uniformed service in which you serve, must give advance written or verbal notice of your service to your immediate supervisor, unless military necessity prevents you from giving notice or if it is otherwise impossible or unreasonable;

2. The cumulative length of the absence and all previous absences from your employment with the County for reason of military service must not exceed five years;
3. Your discharge from military service must be honorable; and
4. When you return from military service, you must report to work or submit a timely application for reemployment according to the following schedule:

For service of less than 30 days you must report to work by the beginning of your first regularly scheduled work day that would fall eight hours after you return home.

For service of 31 to 180 days you must apply for reemployment within 14 days after completing service.

For service of 181 days or more you must apply for reemployment no later than 90 days after completing service.

#### **Continuation of Benefits During Military Service**

Employees on leave for military service and any of their dependents entitled to coverage under the County's health insurance plan are entitled to coverage as follows:

1. An employee that leaves employment for less than 31 days is entitled to continued health insurance coverage, and will not be required to pay more than what an active employee would pay for coverage.
2. An employee that leaves employment for more than 30 days is allowed to elect to receive continued coverage under the County's health insurance plan for up to 18 months following separation from employment or until the employee's reemployment rights expire, whichever event occurs first. The County may require the employee to pay up to 102% of the premium.

#### **UNPAID LEAVE OF ABSENCE**

**4.9**

An employee desiring to take an unpaid leave must submit a written request for a leave of absence to the department head stating the reason(s) for the request. The written request must include the date the employee intends to be absent and the date the employee intends to return to employment. The department head may request supporting documentation from the employee. If the department head grants the leave, s/he must notify the employee and the Auditor's Office in writing of the beginning and ending dates of the leave. Any extension of the leave must be mutually agreed upon between the department head and the employee, and must be in writing, with a copy to the Auditor's Office.

An unpaid leave of absence shall not be allowed for a period of less than one week at a time, and no employee shall be granted more than two leaves under this policy during their employment with the County.

An employee granted a leave of absence shall not be eligible for holiday pay, vacation, sick leave, personal holidays, or any other fringe benefits, except as otherwise provided

by law. An employee on leave shall not accrue retirement or seniority while on leave, and the employee's anniversary date shall be adjusted according to the length of the leave. Premiums for insurance normally paid by the employer will be paid by the employee for the duration of time the employee is on unpaid leave prior to the start of the approved unpaid leave of absence, if the employee elects to continue coverage.

If the employee does not return to work upon the expiration of the leave, the employee shall be deemed terminated. Upon return from the approved unpaid leave of absence, the employee will be returned to the employee's former job if still qualified, and if possible. Otherwise, an effort will be made to return the employee to a similar position based on the employee's seniority, qualifications, and ability as determined by the department head.

This policy does not apply to leaves allowed under FMLA or other federal and state laws, except as specified in those laws.

## **WORK-RELATED INJURIES**

**4.10**

### **Coverage**

To provide for payment of your medical expenses and partial salary continuation in the event of a work-related injury or illness, you are covered by workers' compensation insurance. A determination as to whether a particular injury, illness or other occurrence will be accepted as being a work-related matter will be made by the County's workers' compensation insurance provider. The workers' compensation laws of the State of Iowa determine how employees receive medical care and how they are paid for lost work time as a result of a work-related injury or illness.

### **Employee's Reporting Requirement**

An employee must report a work-related injury or illness to his or her Department Head immediately following the injury, or as soon as the employee has knowledge of the injury or illness. Immediately after notifying your department head, you or your Department Head must call the Auditor's office to provide notification of the work-related injury or illness. The Auditor's office will notify the representative of Heartland Insurance Risk Pool. If medical attention or treatment is required, which in almost all instances will be the case, employees are required to initially use the County-designated medical clinic, except in the case of an emergency that would prevent use of the County-designated medical clinic. Failure to report a job-related injury or illness as outlined above may result in the appropriate workers' compensation report not being filed in accordance with the law, which may consequently jeopardize your right to benefits in connection with the injury or illness.

### **Workers' Compensation and FMLA**

A workers' compensation absence may constitute a leave covered by the Family and Medical Leave Act (FMLA). Workers' compensation leaves will run concurrently with applicable Family and Medical Leave Act leaves in appropriate circumstances.

**Return to Work**

Before returning to work, an employee who has been receiving workers' compensation benefits must submit evidence satisfactory to the County that the employee is safely able to return to work.

**TEMPORARY LIGHT DUTY****4.11**

**Eligibility** Temporary light duty assignments may be made by the County for employees with work-related injuries or illnesses who are covered by workers' compensation or for qualified individuals with disabilities that prevent them from performing their normal job duties. In either case, eligibility for light duty is limited to employees for whom the assignment would be a progressive step in their return to work.

An employee with a job-related injury or illness who refuses a light duty assignment may lose workers' compensation payments and will be placed on an unpaid Family and Medical Leave Act (FMLA) leave if the employee's condition qualifies as a serious health condition and the employee is eligible for leave under that policy. At that point, the employer may require or the employee may elect to substitute accrued paid leave from the date the workers' compensation benefits cease.

**Duration of Light Duty Assignments**

Assignment of light duty tasks within an employee's medical restrictions is intended to be for a temporary duration determined by the County. Light duty assignments will be documented with a list of the functions assigned and the duration of the assignment. Temporary light duty assignments are not intended to become regular assignments.

**Medical Certification**

Before assigning temporary light duty, the County will require medical certification from the employee's physician or other health care provider that the employee is unable to perform his or her normal job duties within medical restrictions, and that the employee is able to perform the proposed light duty assignment within medical restrictions. At the conclusion of the light duty assignment, the County will require fitness-for-duty medical certification to determine whether the employee is able to return to his or her normal job duties.

**Return to Work After Light Duty**

If, at the end of the temporary light duty assignment, the employee is able to perform his or her normal job duties without posing significant risk of harm to his or her health or the safety or health of others, the employee may return to his or her normal position. If, at the end of the temporary light duty assignment, the employee is not able to perform his or her normal job duties without posing significant risk of harm to his or her health or the health or safety of others, the County will review the employee's medical condition and determine whether the individual is a qualified individual with a disability and whether the employee's work restrictions can be reasonably accommodated to allow the employee to return to work.

Payment must be received in the auditor's office prior to the 10<sup>th</sup> of the month of separation.

Employees who are separated from or leave county employment after the 15<sup>th</sup> of the month will have their insurance coverage terminated on the last day of the month of separation.

**5.2**

**COBRA Continuation Rights and Obligations**

If you resign or your employment is otherwise terminated, or if your work hours are reduced, and consequently you or your dependents are no longer eligible to participate in the group health insurance plan offered by the County, you and your eligible dependents may have the right to continue to participate for up to 18 months at your (or your dependents') expense. The 18-month continuation coverage period provided in the event of your termination or reduction in working hours may be extended to 36 months for your spouse and dependent children, if, within that 18-month period, you die or

become divorced or legally separated, or if a child ceases to have dependent status. In addition, if you enroll for Medicare during the 18-month period, your spouse and dependent children may be entitled to extend their continuation period to 36 months, starting on the date that you become eligible for Medicare.

If you are determined to be disabled under the Social Security Act at the time of your termination or reduction in hours, you may be entitled to continuation coverage for up to 29 months.

Your eligible dependents may extend coverage, at their expense, for up to 36 months in our group health insurance plans in the event of your death, divorce, legal separation, or enrollment for Medicare benefits, or when a child ceases to be eligible for coverage as a dependent under the terms of the plan.

If you or your eligible dependents elect to continue in the group health insurance plan, you may be charged the applicable premium plus an additional two percent. Failure to make timely payments may result in termination of coverage.

**The Benefit Administrator is the County Auditor's Office.**

The Benefits Administrator will contact you concerning continuation options at the time termination occurs or your work hours are reduced. The Benefits Administrator will contact your qualified beneficiaries in the event of your death or enrollment for Medicare benefits. However, in the event that you become divorced or legally separated, or one of your dependents ceases to be eligible for coverage under our group health insurance plan, you or your dependent is responsible for contacting the Benefits Administrator within 60 days to discuss continuation/conversion rights. You and your qualified beneficiaries are also responsible for notifying the County Auditor within 60 days of qualifying for social security disability benefits.

For purposes of this section, a retired employee is one who has applied for and is receiving an IPERS retirement allowance.

### **DRUG FREE WORKPLACE AND DRUG AND ALCOHOL TESTING POLICY 7.2**

## SECTION EIGHT: COMPLAINT PROCEDURE

### COMPLAINT PROCEDURE

8.1

Misunderstandings, conflicts, problems, or other questions about your job can arise in any workplace. To ensure effective working relations, it is important that such matters be resolved before serious problems develop. If your concern relates to any type of workplace harassment, follow the procedure outlined in Section 2.1 contained in this handbook. Also, certain complaints may fall under resolution procedures established by state law or any applicable collective bargaining agreement. For other complaints, the County has adopted the following procedure to respond to your concerns.

First, see your immediate supervisor. He or she is in the best position to resolve your problems or concerns. If, however, you do not believe a discussion with your supervisor is appropriate, or if you are not satisfied with the answer given by your immediate supervisor, you should request a meeting with your department head within five days of the response given by your immediate supervisor. In an effort to resolve the problem, your department head will consider the facts and conduct an investigation, if necessary. You will normally receive a response regarding your problem within ten days of meeting with your department head. **If your department head is an elected official, his/her decision shall be final.**

If your department head is not an elected official, and you are not satisfied with that person's decision, you may prepare a written summary of your concerns and request that the matter be reviewed by the Benton County Board of Supervisors, or appropriate governing body in cases involving employees of the Conservation Board or Department of Public Health. After a full examination of the facts (which may include a review of the written summary of your statement, discussions with all individuals concerned, and a further investigation if necessary), the Board of Supervisors or appropriate governing body will normally advise you of its decision within 15 days. The decision of the Board of Supervisors or governing body shall be final.
