Joan Lindberg made a motion that all officers remain the same for the coming year, with the addition of Zach Parmater as vice-chair. It was seconded by Chamberlain. Motion passed.

The Agenda was approved, but the minutes of the last meeting were not available, so approval of the 9/17/2020 minutes was tabled until next meeting.

Bonar explained the changes that would be coming with the program being transferred from Secondary Roads to a stand-alone Department. His budget has been submitted and is waiting for County Supervisor approval. Bonar then gave a verbal review of the Program Update that he provided in printed format for each committee member. The date of the next meeting will be June 17th, 2021.
