

Benton County IRVM Advisory Committee Meeting Minutes
Thursday, April 26, 2018 – 5:30 P.M.
Benton County Secondary Roads Department

Committee Members Present:

- Becky Van Wey – Sec.
- Kathy Chamberlain
- Joan Lindberg
- Randy Scheel

Staff: Ben Bonar – Benton County IRVM Roadside Manager

Randy Scheel called the meeting to order at 5:38, due to Chairman Wolter and Vice Chairman Huber both absent.

The minutes of the last meeting were reviewed. Motion made by Lindberg and seconded by Chamberlain to approve the minutes. Passed unanimously.

Bonar reported that the weather has been favorable for tree/brush clearing. The spray truck driver starts on May 7th, and the new intern starts work on the 14th.

No Spray signs are still in the works – The Board of Supervisors approved the new IRVM policy, but Hailey Ripple is checking into requirements to publish and get public comment.

New GPS will be up and running for the spray season.

A burn by the Urbana bridge was completed, and he hopes to do a few more burns this spring if conditions permit.

No grants have been applied for this year, due to budget constraints. The department is replacing some major equipment.

There was no further business, so Lindberg made a motion to adjourn, which was seconded by Johnson, and unanimously approved.
